

Christmas time!

Golden stars and little angels in the windows
Lights in the trees start swaying when the wind blows
Snow turning into slush on the streets
People in their homes turning up the heat

Wives showing kids how to bake little treats
Husbands turning up the sounds of their TVs
Laughing at commercials, having a good time
Humming funny jingles to the sound of the chimes

Tis the season – better be jolly
Kids on their laptops playing Blobby Volley
It's so peaceful. No one's arguing
Let's hope that Granny keeps her side of the bargain

"I just hope she overheard what I said
Maybe this year I'll get an iPad."
That's the spirit. This is Christmas.
How are we ever gonna get out of this mess?

Everywhere that I'm going
Magically X-Mas trees and mistletoes are growing
It's amazing. So much green here
Don't recall any color's ever been here

Oh this season is exciting
Everyone's on fire like they've been struck by lightning
All the rush is intoxicating
No one seems alone, everyone is celebrating

CHORUS

Christmas time! Everywhere
We don't care who you are
Christmas time! Everyone
Sing along. La la la la

CHORUS (Choir)

Christmas time! Everywhere
We don't care who you are
Christmas time! Everyone
Sing along. La la la la

All the joy sure amazes
We're surrounded by smiling faces
No one dares to look a little closer
We're surrounded by liars and imposters

I have noticed people sighing
 Eyes everywhere look like they've been crying
 All those happy faces are nothing but masks
 I left mine at home but no one ever asks

I sense sadness and depression
 And often numbness has overcome the passion
 It's alarming and devastating
 Yet people keep on underestimating

"Don't look worried. What's the matter?
 It's just a phase, it's gonna get better."
 In other words: "Leave me alone
 I don't care. Solve it on your own."

Tis the season when many decide
 It is time to get off this ride
 Life's a gift you cannot trade in
 It's a game you can't always win

Anyway, who is to say
 Everyone must continue to play
 It's our choice if we want to go
 Merry Christmas! Ho ho ho!

CHORUS

Christmas time! Everywhere
 We don't care who you are
 Christmas time! Everyone
 Sing along. La la la la

CHORUS (Choir)

Christmas time! Everywhere
 We don't care who you are
 Christmas time! Everyone
 Sing along. La la la la

Present time! Which one's mine?
 I don't care how you are
 Snow and fun! Everyone
 Sing along. La la la la
