

# Sensational

by G. Smith

## Verse 1:

Your touch burns on my skin and within  
You cleanse me with fire  
The sweetness of your grin full of sin  
It's taking me higher

My lips rest on your chest you request  
My fullest attention  
The soft flesh of your breast, it's the best  
Reward I could mention

## Verse 2:

Your hands without debate liberate  
What grew in the twilight  
Secure my hardened state, it's too late  
To quit now, am I right?

You get on top of me, silently  
You're ready to ride now  
I close my eyes to see, I could be  
Your slave or your guide now

## Verse 3:

Lean back and make me bleed, what I need  
I've already taken  
I'm not here out of greed or to plead  
I know I'm forsaken

Don't ask if I'm alright, for tonight  
I'm yours and I'm living  
Don't love me in the light, 'cause I might  
Regret what I'm giving
